## EXPERIENCE

### Google Developer Student Club, University Of Uyo— *Content Writer (Volunteer)*

AUGUST 2023 – PRESENT

I volunteer as a Content Writer for the Google Developer Student Club at the University of Uyo, working closely with the Facebook page handler. Together, we create engaging content to support the club's online presence, allowing me to develop my skills in content creation and online engagement.

### Matriks Hub, Osongama — *Intern*

MARCH 2022 - OCTOBER 2022

As an intern at Matriks Hub, Osongama, I had the valuable opportunity to learn under the guidance of experienced senior developers. During my time there, I gained insights into the core concepts of web development and acquired knowledge about best practices in the field. This experience further enriched my understanding of web development and its practical application.

## EDUCATION

### University Of Uyo, Nigeria — *B.Sc Computer Science*

JULY 2021 - PRESENT

I'm currently a student at the University of Uyo, working towards a Bachelor of Science degree in Computer Science, with an expected graduation date in the future.

### Start Innovation Hub, Nigeria — *Front End Development Course*

MAY 2021 – OCTOBER 2021

Completed a six-month Front End Development course at Start Innovation Hub, Nigeria, from May to October 2021. Gained comprehensive knowledge of web development fundamentals and their practical implementation, equipping me with valuable skills for real-world applications. Ready to apply this expertise to contribute effectively in the field of Front End Development.
